Sir:

In accordance with the duty of disclosure under 37 C.F.R. §1.56, Applicants hereby notify the U.S. Patent and Trademark Office of the document listed on the attached Form PTO/SB/08 A & B (modified), which the Examiner may deem material to the patentability of the claims of the above-identified application.

One copy of the listed document is submitted herewith.

The present Information Disclosure Statement is being filed after the later of three months from the application's filing date and the mailing date of the first Office Action on the merits, but before a Final Office Action, Notice of Allowance, or an action that otherwise closes prosecution in the application (whichever is earlier) and, therefore, Applicants are filing concurrently herewith a Statement Under 37 C.F.R. §1.97(e). No fee under 37 C.F.R. §1.17(p) is required.

The present Information Disclosure Statement is being filed within thirty days from the mailing date (May 31, 2006) of a Communication from the German Patent Office with respect to DE 103 48 790.5-54 and, therefore, a Statement Under 37 C.F.R. §1.704(d) is attached.

In compliance with the concise explanation requirement under 37 C.F.R. §1.98(a)(3) for foreign language documents, Applicants enclose herewith a copy of the aforementioned Communication in a counterpart application citing such document, together with an English-language version (if not already included) of at least that portion of the Communication indicating the degree of relevance found by the German Patent Office.

The submission of the listed document is not intended as an admission that such document constitutes prior art against the claims of the present application. Applicants do not waive any right to take any action that would be appropriate to antedate or otherwise remove the listed document as a competent reference against the claims of the present application.

The USPTO is directed and authorized to charge all required fees (except the Issue/Publication Fees) to our Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.
